	per employee	0.05			
Multiple Use **					
TOTAL					

* Based upon the daily average number of pupils enrolled on days when school will be in session during the full school year. Teachers and employees shall be classified as pupils for E.D.U. determination.

** In the case when a combination of one or more private dwellings or living units with one or more commercial establishments in one building and each having the use of the Township sanitary sewer system through one sewer connection, each such private dwelling or living unit and each such commercial establishment shall be considered 1.0 E.D.U. and each charged the foregoing rates, as though each were in a separate structure and as though each had a direct, separate connection to the Township sanitary sewer system.

The Following Must Be Included with Application:

- **Copy of Determination of Sewer Feasibility by Sewer Authority Engineer**
- **Engineered Sketch**
- **Engineer's and/or Contractor's Estimate of Work**
